

FILE NO. _____

STATE OF MINNESOTA

IN SUPREME COURT

In Re Petition for Disciplinary Action
against BENJAMIN EUGENE MYERS,
a Minnesota Attorney,
Registration No. 341447.

**STIPULATION
FOR DISCIPLINE**

THIS STIPULATION is entered into by and between Martin A. Cole, Director of the Office of Lawyers Professional Responsibility, hereinafter Director, and Benjamin Eugene Myers, attorney, hereinafter respondent.

WHEREAS, respondent has concluded it is in respondent's best interest to enter into this stipulation,

NOW, THEREFORE, IT IS HEREBY STIPULATED AND AGREED by and between the undersigned as follows:

1. Pursuant to the Rules on Lawyers Professional Responsibility (RLPR), the parties agree to dispense with further proceedings under Rule 14, RLPR, and respondent agrees to the immediate disposition of this matter by the Minnesota Supreme Court under Rule 15, RLPR.
2. Respondent understands this stipulation, when filed, will be of public record.
3. It is understood that respondent has certain rights pursuant to Rule 14, RLPR. Respondent waives these rights, which include the right to a hearing before a referee on the petition; to have the referee make findings and conclusions and a

recommended disposition; to contest such findings and conclusions; and to a hearing before the Supreme Court upon the record, briefs and arguments.

4. Respondent admits service of the petition and amended petition for disciplinary action.

5. Respondent withdraws the answer filed herein and unconditionally admits the allegations of the petition which may be summarized as follows:

a. Respondent failed to properly maintain his client trust account books and records; engaged in conduct prejudicial to the administration of justice; brought meritless claims; failed to properly communicate with a client; failed to act with appropriate discipline; and failed to properly withdraw from representation.

6. Respondent understands that based upon these admissions, this Court may impose any of the sanctions set forth in Rule 15(a)(1) - (9), RLPR, including making any disposition it deems appropriate. Respondent understands that by entering into this stipulation, the Director is not making any representations as to the sanctions the Court will impose.

7. The Director and respondent join in recommending that:

a. The appropriate discipline is a sixty (60) day suspension pursuant to Rule 15, RLPR, effective 14 days from the date of the Court's suspension order. Respondent's suspension shall be followed by a two-year probation.

b. The reinstatement hearing provided for in Rule 18(a) through (d), RLPR, be waived;

c. Respondent comply with Rule 26, RLPR;

d. Respondent pay \$900 in costs pursuant to Rule 24(a), RLPR;

e. Respondent be reinstated following the expiration of the suspension provided that at least 15 days before the expiration of the suspension period, respondent files an affidavit with the Clerk of Appellate Courts and the Director's Office establishing that respondent is current with Continuing Legal Education, has fully complied with Rules 24 and 26, RLPR, and has satisfactorily completed all other conditions imposed by the Court in its decision; and

f. Upon reinstatement, respondent shall be on probation for a period of two years upon the following conditions:

i. Respondent shall be supervised by a licensed Minnesota attorney, appointed by the Director to monitor compliance with the terms of this probation. Respondent shall provide to the Director the names of four attorneys who have agreed to be nominated as respondent's supervisor within two weeks from the date of the Court's order. If, after diligent effort, respondent is unable to locate a supervisor acceptable to the Director, the Director will seek to appoint a supervisor. Until a supervisor has signed a consent to supervise, the respondent shall on the first day of each month provide the Director with an inventory of active client files described in paragraph iii. below. Respondent shall make active client files available to the Director upon request.

ii. Respondent shall abide by the Minnesota Rules of Professional Conduct.

iii. Respondent shall cooperate fully with the supervisor in his/her efforts to monitor compliance with this probation. Respondent shall contact the supervisor and schedule a minimum of one in-person

meeting per calendar quarter. Respondent shall submit to the supervisor an inventory of all active client files by the first day of each month during the probation. With respect to each active file, the inventory shall disclose the client name, type of representation, date opened, most recent activity, next anticipated action, and anticipated closing date. Respondent's supervisor shall file written reports with the Director at least quarterly, or at such more frequent intervals as may reasonably be requested by the Director.

iv. Respondent shall maintain law office and trust account books and records in compliance with Rule 1.15, Minnesota Rules of Professional Conduct (MRPC), and Appendix 1 to the MRPC. These books and records include the following: client subsidiary ledger, checkbook register, monthly trial balances, monthly trust account reconciliation, bank statements, canceled checks, duplicate deposit slips and bank reports of interest, service charges and interest payments to the Minnesota IOLTA Program. Such books and records shall be made available to the Director within 30 days from the filing of the Court's order and thereafter shall be made available to the Director at such intervals as he deems necessary to determine compliance.

8. This stipulation is entered into by respondent freely and voluntarily, without any coercion, duress or representations by any person except as contained herein.

9. Respondent hereby acknowledges receipt of a copy of this stipulation.

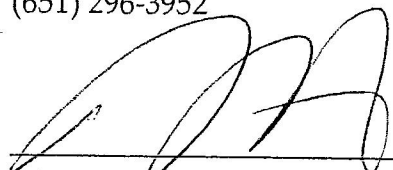

10. Respondent has been advised of the right to be represented herein by an attorney but has freely chosen to appear *pro se*.
